

Advertise on the Visit Laurel-Jones County app & reach 1,500 visitors a week!

The Dixie Youth World Series welcome bags will include info on how to use the Visit Laurel-Jones County trip planning app. This is where players and parents can access complete lists of where to eat, shop and explore. Plus there will be a featured Points of Interest list that will have details on registration, opening ceremonies, games and wherever YOU want to lead them to inbetween!

Two ways to gain exposure with a featured listing for the duration of the World Series:

\$75 = Featured stop on the World Series Points of Interest List
(space is limited)

or

\$50 = Ad space on the "EAT" or "SHOP" list

Ad Size: 900 X 600 pixels (design help available upon request)
